Heated Roost
- Requires electrical package

Wire over window

30 watt solar panel
Solar powered light with switch.
Light also available with timer.

ADD A FEEDROOM TO YOUR COOP

Adding a feedroom to your coop makes caring for your chickens so much easier! No more hauling feed and supplies - you can have them inside an attached room!

Feedroom Layout Ideas

The space where the nesting boxes are in the coop continues through the feedroom. This allows for extra storage space in the feedroom.

CHOOSE A LITTER TRAY

LITTER TRAY
covering under roost bars only (clean out lid recommended)

CLEAN-OUT LID FOR LITTER TRAY SHOWN

DEEP LITTER OPTION

DEEP LITTER OPTION
Floor and 12 in. sides are non-porous to prolong coop integrity and make clean out easy.
The deeper litter provides extra insulation in colder temperatures, as well as extra heat from the decomposition of the litter.

WHEEL OPTIONS

FOUR WHEELS WITH HANDLE
Available on Models:
Q44, L35, D44, A44, L45

FOUR WHEELS WITH STEERING HANDLE
Available on Models: Q78, Q58, Q56, Q46H, Q46, Q48,
